April, 2017

Dear Owner/Manager/Golf Professional:

I am writing this letter in hopes of formalizing a reciprocal agreement between our two clubs for the 2017 golf season. Vesper Hills has undergone extensive renovations both in the clubhouse and on the course itself. We have a lot to offer your membership including a challenging Geoffrey Cornish design that can play up to 7,000 yards from the blue tees, a fully renovated clubhouse with 5 star meals, and amazing views of Otisco Lake and the surrounding hills.

New for 2017 is our Island Green par 3 8th Hole!

Our reciprocal policy for 2017 is as follows:

- Play will be permitted 7 days a week during any open play opportunities
- All tee times will be made in advance by our golf shop staff
- The reciprocal rate is \$20 per player which includes the use of a cart
- Reciprocal rates do not apply to outing, tournament, or league play
- Proper golf attire is encouraged. Jeans are permitted, no tank tops
- All alcoholic beverages must be purchased at our facility
- Metal spikes are not permitted
- The Loft Restaurant and Sports Bar welcomes all patronage

If the reciprocal is agreed upon, we will add you to our reciprocal list on our website, if you have a website with listed reciprocals we ask for the same in return.

It is my hope to continue our reciprocal agreement for 2017 and we look forward to having your members enjoy our facility!

Thank you for your time!

Sincerely,

Robert Phelps, PGA
Head Golf Professional
