Director of Golf Operations  
Woodcrest Golf Club

---

May 20, 2020

Dear Woodcrest members.

Hi All. Woodcrest weekly update time!!

First and foremost, for those that don't know, golf has been moved out of phase four and into phase one and that makes us ESSENTIAL!!!! It also allows some baby steps to be taken by businesses and that is good news for all.

Here are a few things to keep in mind.

All protocols pertaining to CDC guidelines and current Woodcrest specifics are still in place at this time with the following exceptions.

Starting today, Wednesday May 20<sup>th</sup> the pro shop will be open with social distancing being maintained at all times. PLEASE NOTE: The remainder of the building, including the Tavern, Restaurant and Restrooms remain closed and are not accessible. Also beginning today, the tee time's sheet will be reduced to 12 minute times from last week's 15 minutes. Times will be available starting this weekend from 7:00am until 5:00pm.

Starting this Friday, May 22<sup>nd</sup>, Woodcrest members will be allowed to bring guests and the use of carts will be permitted with strictly enforced rules in place. One rider and one bag per cart, NO EXCEPTIONS. These are not our rules, we are following the mandates set by the Central Regional Council that we are a part of. The maximum number of carts we will allow at this time in any group will be three. We apologize for any inconvenience this may cause but feel it is the best way for us to manage the turf grass and overall course health at this time. For the short term, there may be an occasion where you must break up your normal foursome and again we are sorry. If you need to come into pro shop please observe the 6 foot distances and wait to come in if it appears busy inside. Masks must be worn. We are accepting all forms of payment now that we are in phase one. If you do rent a cart, please go directly to it load your bag and head to first tee when you are called. Upon completion of you round, park your cart in the designated sanitization rows marked by red tape, leave your key in cart, remove all trash and equipment, head directly to your car and leave the premises. We are excited to be moving forward and hope you all get a chance to visit us soon.

Sincerely,

*Richard*
