

Outing / Tournament Responsibilities

Woodcrest Golf Club attempts to make golf outings a pleasant experience for both the golfing group and the facility. There are expectations on both sides as to how this might be accomplished.

What we can do for you.

- Provide the group with an interesting and challenging 9 or 18 hole well maintained layout.
- Furnish all necessary Cart Signs, Scorecards, Scoreboards and on course Game Markers, if provided with the necessary participant information in a timely fashion prior to the outing.
- Arrange for Food Options for the group from simple pre-outing lunches, on-course beverages and post-outing sit-down dinner options.
- In the event of the cancellation of the golf portion of the event, on the day of the event, due to inclement or threatening weather conditions, rain checks will be issued to all participants or a modified format will be played and the meal portion of the outing will continue. If impending weather concerns are an issue all attempts will be made to reschedule the entire event.
